KEN DOUGHERTY

I SAW THIS MASERATI DURING THE CLOSING STAGES OF ITS REFURBISHMENT AT STEVE HART'S RESTORATION SHOP ON THE EAST COAST OF ENGLAND IN LATE 2009. THE BIRDCAGE HAD BY THIS TIME BEEN ON THE ROLLING ROAD AND WAS WAITING FOR IMPROVED WEATHER CONDITIONS PRIOR TO A TRACK TEST, WHICH SUBSEQUENTLY TOOK PLACE.

IF YOU WERE A BIRDCAGE CUSTOMER AT THE MODENA FACTORY IN 1959 OR 1960 WHAT YOU SEE HERE IS WHAT YOU WOULD HAVE BEEN DELIVERED. THE FINISH IS CORRECT, ALL OF THE FINITE SMALL DETAILS ARE ACCURATE AND THE OVERALL APPEARANCE IS CORRECTLY DISPLAYED IN THIS FINISHED EXAMPLE OF A FAMOUS EUROPEAN SPORTS RACING CAR.

YOU CAN DRIVE A BIRDCAGE MASERATI FAST OR VERY FAST; ITS ROADHOLDING IS MAGICAL AND ITS BRAKES WHEN REQUIRED ARE BEYOND CRITICISM.

THIS WONDERFUL EXAMPLE OF MASERATI'S FAMOUS SPORTS RACING CAR IS IN ALL RESPECTS READY FOR ITS NEW OWNER TO DEMONSTRATE ITS TRUE CAPABILITIES.

BEST REGARDS.
